TO MRS. ROGERS Inventor Says Children Born of Young Parents Live Longest—"Eugenics" Course Closes at Y. M. C. A.

number of a course on "Eugenics"

Dr. Bell told of a thorough study he has made of the descendants of William Hyde, of Norwich, Conn., through a period of seven generations. One of the interesting conclusions drawn was that its seemed that children born of parents near or under 20 lived longer than those born at any other sage, and that the ratio of death to age of the parent increased as the age of parent at time of birth of child increased.

siat the local force. In the local boys given their lunches while the local boys were not. Would you strike for a ham sandwich and cup of coffee. Three of the Connecticut avenue branch boys said they would, and gaining a few recruits from the Woodward Building, they presented themselves at the general office. "Washington is being discriminated against," or words to that effect, they said.

Of course, as soon as the company learned the cause of the trouble they remedied it. Washington measengers may eat also. Now they receive 15 cents a day more.

Former Monon President Dead.
Chicago, April 25.—William Henry McDoel, for many years president of the Monon Raliroad, and prominent in banking circles, was found dead in bed today at the residence of his daughter, Mrs. W. K. Kenly, 1811 Astor street, where he and his wife made their home. He was 15 years old, Death was due to debility, Mr. Kenly said. He had retired last night feeling in excellent spirits.

Only Eight More Days.
Only eight more days remain for counting the diamonds in The Herald's Diamond Mystery puzzle contest. Those who enter now stand just the same chance exactly as those who have already submitted solutions, so don't neglect to send in yours before it is too late.
